The book is full of winning characters, from Ka himself Snow: A Novel Blue, a handsome Islamist terrorist with the gift of the gab, an actor-manager and his wife who tour small Anatolian towns staging revolutionary plays and coups de main, and Serdar Bey, the local newspaper editor, who has a habit of writing up events Snow: A Novel running them off his ancient presses before they occur. He is shattered to find Necip's body in the morgue and identifies him as the one who led him to Blue. But it is entertaining, covers some interesting issues and is a fun read. Viewall30comments. My favorite: Mrs. I've grown up on European literature, with its dense and intricate plotlines, stories with no particular rush Snow: A Novel reach conclusion and no linear path in getting there, in contrast to the fast-paced western literature with spare plotlines, quick action, and neatly wrapped-up endings. Dithering, reflective Ka, the embodiment of Turkish ambivalence, is, we learn, a Gemini. PreviewYourReview.Both Kadife and Blue agree.
