Panthera Leaders in Wild Cats Conservation. Lonely Planet.  
TheanimalwasgiventhenamFelicityandlivedatawildlifeparkforfiveyea  
On returning in the day, they discovered a large lair and paw prints too big to belong to a domesticated cat. The reign of terror of the big cat led to a variety of affects, ranging from extreme fear to anger to the generation of nervous laughter among town residents, even as they formulated compelling critiques of the very peculiar functioning of the Indian state.

Several times a year he attends rural shows, two life size stuffed big cats in  
is not logical that so few safety incidents would occur in private settings if there are so many more tigers residing there than in zoos, where they are managed with fewer safety features; the data implies that something has changed within the private sector to cause the sharp drop in safety incidents since the early s, and it seems most likely to be the decrease in privately owned tiger populations indicated by the FCF census data.
