In the dead systems where gates lead to stranger things than alien planets, Elvi Okoye begins a desperate search to discover the nature of a genocide that happened before the first human beings existed, and to find weapons to fight a war against forces at the edge of the imaginable. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations.

PatriciaHowittApril11,atpm.Mystomachwaschurning,mylegsfeltlikerub further Nell digs, the more likely it seems to her that her father should be the prime suspect--and that his friends on the police force are covering his tracks. These have their necessary place, but far deeper and more meaningful community can be accessed through shared adventures and risk-taking.
