I set it up with three sight pins to shoot out to yards fairly
easily. The adjustable meat shelf allows you to distribute the
weight in the correct spot and keeps your load from shifting.
Will lives in Central Virginia with his wife and two kids. Rub it into the strin
You'll also see how a serious deer hunter prepares to take a
deer and the different strategies he utilizes to look for a
big whitetail and grow a bigger whitetail on the property he
hunts. The back cover features Bear's new "glass powered
bows".
Most of us as hunters have encountered a situation while out in the field that m
adjustability with a smooth-operating drive system and percent
lifetime warranty make the Tetra a winner by every standard.
If we realize as hunters the importance of holding each other
accountable to a higher standard, the idea of toeing the line
somehow becomes less enticing.
