In particular, I liked Khalidi's analysis of Pan-Arabism, and how it lingered lingers! It is a major contribution to historical understanding of Palestinian nationalism. TobyBreadenrateditreallylikeditOct10, He's so adamant to defend Palestine as a positive rather than a negative identity that he glosses over a rather ugly implicit argument: that any Jewish settlement of any kind was fundamentally an act of colonization, and that Palestinians have an exclusively authentic and timeless claim to the state-space, an argument little more intellectually defensible than the right-wing argument that Mexicans are colonizing the U. It is a major contribution to historical understanding of Palestinian nationalism. IcansympathizewithbothofKhalidi'saims.Forged from a partnership between a university press and a library, Project MUSE is a trusted part of the academic and scholarly community it serves. This is an essential book for anyone trying to understand the Byzantine complexities and background of the flawed Middle East peace process
