Then, slowly leave the elevator or door's range until the enemies return. Killer strategies for every game mode, including team-based and solo play! Head back to the control panel to initiate a mini game.

Boost over here, but watch out for those red mines nearby, they will lock onto

To kill them quickly, shoot the swarmer itself and whilst they have control of a body, shoot the head – this is where the swarmer is located and a headshot should either kill it instantly or knock it to the floor where you can shoot it freely. Put him in stasis and get onto the lift when it arrives and ride it up to the top platform.

Do the same again with the block and the third laser to reach the far end. There i

do this, focus on the alien until the crawlers get too close, and then stick the alien in stasis to clean up the crawlers in close proximity before focusing on the alien once .
