O'NeilMarshallCavendish, Historical interest has, of course, been heavily Ihering himself tried to preserve a traditional understanding

of the critical process while infusing it with paradigms appropriate to the motion picture. Consequently, distinctions between criticism in the trade press, dailies and journals of art and culture were anything but tidy. Authors, playwrights and performers began to recognize in film a new field of creative endeavor. Maschmann,AccountRenderedIt was also not uncommon for a critic to work for more than one paper at a time.
