Oral History Association Book Award The partition of India into two countries, India The Other Side of Silence: A Novel Pakistan, caused one of the most massive human convulsions in history. It was only the feedback he got from the first, March Violets and the publisher dangling a two-book contract for sequels in his face that kept Bernie alive. Yet, the author manages to find the unexpected in all this -a love story albeit a tragic one where a girl, sold over and over, finally lands up with a man who loves her, only to be snatched from him in the initiative of the respective governments to restore abducted women to their families.

Everyone else could choose which country they wanted. Her mother speaks to her about how many difficulties and life-threatening situations she faced when she traveled thrice to Pakistan to get her family in India. Razor Girl.
