Din longs for the authentic Indonesian culture free from colonial gaze; and plans to write a "secret history" of the "lost world" of Bali. Their boots were too big and when they ran they looked like clowns. Starts off really well, but loses it a little towards the end.

InBookReviews. The soldiers jumped from the truck onto the sandy soil. Later that evening, when the hot heavy night had descended, someone—it is not clear who—splashed kerosene on the doors of the pawnshop and took a match to it. The topic of cultures clashing has always been fascinating to me, and *Map of the Invisible World* is a great example of how fiction can illuminate a complex history. Karl is less histrionic, but also unforthcoming. ShopBooks. The characters are odd and lonely and ill at ease with their surroundings.
