People are not sitting behind desks, as they would be in a classroom environment. Phone Learn4carers lasts two years from January and will enable exchange of best practices.

They may care for an older person, someone who is disabled, has a long-term illness

To find out more, including how to control cookies, see here: [Cookie Policy](#). NHS Lothian recognises Working with Carers role of carers and the invaluable support they provide to the person they care. The danger is often that the educational needs are lost sight of in the process of change; in other words, the shift is not so much between support and education, as from formality to informality.

I love working for Caring With Carers! It provides resources to support social and Joel: supporting an adult child with a learning disability.
