That's why we call this section 'repurpose' instead of 'create. I remember someone on twitter not long ago calling lurking a digital form of 'legitimate peripheral participation' and wishing I'd thought of it first! The world is changing, getting smaller and flatter.

This is probably the hardest part of the process, and not everybody will participate. Thus, for Vehagen, connectivism should be regarded as a set of pedagogical skills rather than a learning theory. Athabasca: AU Press.

Knowledge is power after all, so if the power only stays in our heads, without  
Reviews.
