He even goes on to say that Religion is very useful and should be utilized to compel men to fight. To see what your friends thought of this book, please sign up.

We use cookies to give you the best possible experience. I couldn't get the flow of this writing, and couldn't extract the useful from the waffle. I found the book wordy, and felt Machiavelli did not need to write the account word-for-word. I like this book because its content is really original and you can easily understand the grammatical structure used by the author. In the preface, Machiavelli addresses the work to Lorenzo di Filippo Strozzi and takes a solid look at military maneuvers and the history of. It took me 4.
