Publisher Synopsis "Just when it seemed that contemporary art writing and the subject of real-life politics had permanently parted ways, along comes the young New York critic Ben Davis with a book that brings them. Request removal from index. At other times, he accuses politicised artists of shirking their political responsibilities. Whatever options are open to us, that is certainly the worst. Davis makes a convincing argument for why artists and critics will have to move beyond institutional critique and assaults on the art market if they are to legitimately alter the way the art world functions, never mind the world at large. Author: KimCharnley1. To quote them: Ring Smart Home Security Systems.
