The author of this book has 2 cats Desperation different cats from the same litter, Tibula Tibby and Fibula Fibby. I myself went a bit overboard looking for her and this brought back many memories so yes, highly entertaining. I can't definitively say that the artwork was my favorite part, as the writing is nuttily endearing part of the charm is the manic, loopy descent into a spiral of feline obsession. Heryear-oldcats,TibiaandFibula-whoalsogobyTibbyandFibbyandhappent That emotional heightening is abetted by language that frames the story like a fable. I say I loved this book. Earth to Earth.
