Eventually, the mouth would have learned to speak of something other than the horrors it spoke to Sara of. I love Karin Slaughters writing but this one had some female characters that I found indecisive and feeble, not at all what I am used to from. This review has been hidden because it contains spoilers. You submitted the following rating and review. Sep 19, Beverly rated it really liked it. This item doesn't belong on this page. I must have been deemed Satan's own at my birth as a newborn. She sees All one can do is increase their odds of survival and success with what they know and possess right now, and hope they end up on the right side of the curve of statistical 'luck'.
