Most of the book contains different ideas and layouts to try in your bullet journal. Happy journaling! Show All What's New. Depending on your career and lifestyle, your bullet journal might include a variety of ideas. I'm coming back to the system after a bit of a break, and decided to treat myself to this very pretty book, expecting to kick myself a little, but I've been pleasantly surprised. Is this a safe thing to do with toddlers in the house? Use numbered lists only when the sequence or count of items are important. This is an appropriate margin. Setting proper margins for your document ensures the information fits within a highly readable space on the page.
