The value of marriage b. Uh-oh, it looks like your Internet Explorer is out of date. This attentive and constant openness to other branches of knowledge makes the Church's social doctrine reliable, concrete and relevant.

Every authentic religious experience, in all cultural traditions, leads to

It is common among contemporary philosophers, and indeed it was not uncommon in earlier centuries, to reject positions on the ground that they are meaningless. The exposition of the Church's social doctrine is meant to suggest a systematic approach for finding solutions to problems, so that discernment, judgment and decisions will correspond to reality, and so that solidarity and hope will have a greater impact on the complexities of current situations.

The relationship between principles and values b. Some religions describe God without reference to gender, while others or their translations use sex-specific terminology.
