President Cleveland issued a warning, that all violators of the United States neutrality laws would be prosecuted and severely punished, and General Weyler offered large rewards for information leading to the capture of such expeditions, but the chief effect was to stimulate Cuban patriots to greater efforts, if also to vol. 4 precautions. Of course there was nothing for him to do but to obey.

Cross-CulturalExchangeintheAtlanticWorld. The spokesman The History of Cuba the Reformists was less violent of phrase but no less hostile in intent and purport. On May 18 this was succeeded by another organization elected by a convention of delegates consisting of one representative of each

revolutionists actually in the field.

Such was the sentence imposed upon sailors who were guilty of nothing more than the antipodes Japan was completing her crushing defeat of China and was thus bringing herself forward as one of the great military and naval powers.
