One day seems suited for fresh produce; another, for shoe gazing and another for sea shells and sand. Either by signing into your account or linking your membership details before your order is placed.

Tomeitjustscreams of lonely, isolated, anxious women. Pretty pictures, no The intimacy of these photographs--discarded clothing, a view of a snowy day from the window, a tablecloth--combined with their striking similarities in color and composition defies the A Year of Mornings: 3191 Miles Apart of their long-distance collaboration. This table has become so popular in my Flickr stream I have some people suggesting I pack it up and send it off for travels around the world! On the morning of December 7, Maria Alexandra Vettese and Stephanie Congdon Barnes each took a digital photo of everyday objects randomly arranged on their kitchen tables and, unbeknownst to one another, uploaded them to the website Flickr. After viewing a few pages, I found myself looking at my surroundings differently.
