Every now and again I like to go through my Kindle and read books that have been sitting there for like ever as with new books that I want being released every day the older books keep going down the list on the Kindle. An elaborate, usually intellectually ingenious poetic comparison or image, such as an analogy or metaphor in which, say a beloved is compared to a ship, planet. It's a tight narrative! If anyone is going to ride the dragon it will be Aegon. Understanding comes after the dropping of preconceptions, a destruction of a false sense of security, or in some way the loss of innocence. Though I think Tyrion will survive the fall.

Action, discovery, and description are important elements, but the most important is the conflict reaches a turning point. After a whirlwind courtship that has Brooke bonded and married to one of the most powerful vampires in existence, she's ready to settle down to a normal life.
