However, Barrs writes clearly and summarizes well, so prior knowledge isn't necessary to still benefit from these chapters. Domestic Echoes of Eden International Shipping Options. Echoes of Eden is a lively and insightful read, especially for lovers of the literature and the arts, who are of a Christian disposition. Become a member to continue reading. Noting the varied ways in which the authors of Scripture Echoes of Eden the cultural resources around them, Barrs argues for Christians to receive the art of non-Christians gratefully, taking joy in finding those echoes wherever they may be. Not only did Kelly make that vision come to life, but she went above and beyond what I could have ever dreamed of! Overtures Committee Decisions for Tuesday, June Barr helps us think through this perspective by taking us back to the beginning. I would highly recommend it to anyone who wants to be more conscious in their role both as a Christian and someone who enjoys art. Here is a book that I enjoyed very much, but one which I enjoyed very much less than I had hoped.
