As you know, because this has not been a secret, my suggestion to the Member States was not that of withdrawing the naval assets. What if we transcend our current learning paradigm of downloading information and increase our skills of unearthing diverse perspectives, recognizing and utilizing gifts and capabilities, and collaboratively creating socially impactful learning spaces? Whowillyoumeet? Now we are facing a protracted conflict with victims in high numbers, including civilians, and a stalemate on the ground. This is certainly the case for U3As following the French model whose members are lectured by professors employed by the traditional university which the centres belong to.
