According to the authors, this was due to the time frame adopted for the occurrence of bullying one monthwhich was chosen to reduce the risk of bias. Sometimes an author describes a situation that is difficult to imagine if you have no experience with it. While "dragging through the mud" is of course not a literal concept, it is an apt metaphor for what happens when we bring claims of wrongdoing by another party to the media. Hastheauthoreverlostachildtosuicide?Let me explain why: Enjoyment of cruelty is a trait that everyone has the potential to actualize.
